

Trader Web Interface

Traders (PHP)

Login

First traders need to Log in order to sell the product.

The screenshot displays the Trader Web Interface with a dark header bar containing navigation links: HOME, PRODUCTS, TRADERS, and ABOUT. On the right side of the header are icons for search, heart, shopping cart, and user profile. Below the header, there are two main sections: Login and Register.

Login Section:

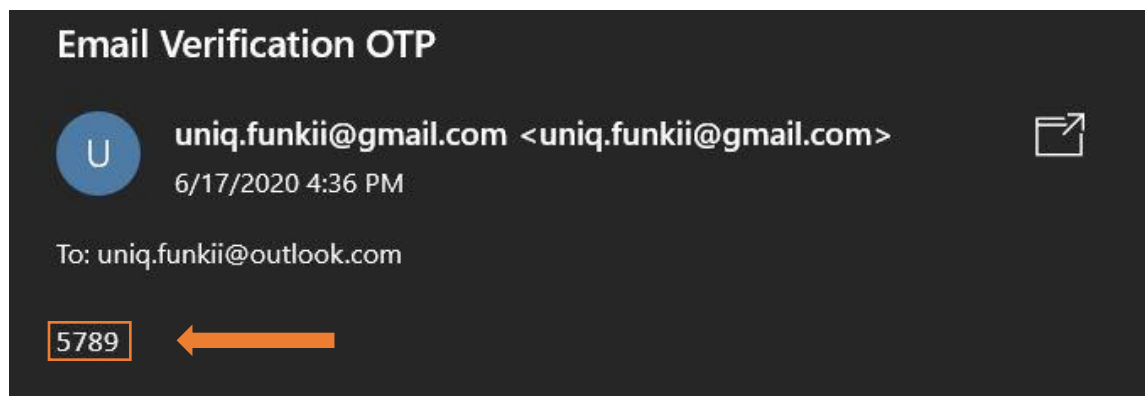

- Text: "User has logged out."
- Form fields:
 - Username or email address *: uniq.funkii@outlook.com
 - Password *: Pokhara_123
 - Select the Type*: Trader (dropdown menu)
 - LOGIN button
 - ☐ Remember me
 - [Lost your password?](#)

Register Section:

- Form fields:
 - Your Name *
 - Email address *
 - Address *
 - Phone Number *
 - Password *
 - Confirm Password *

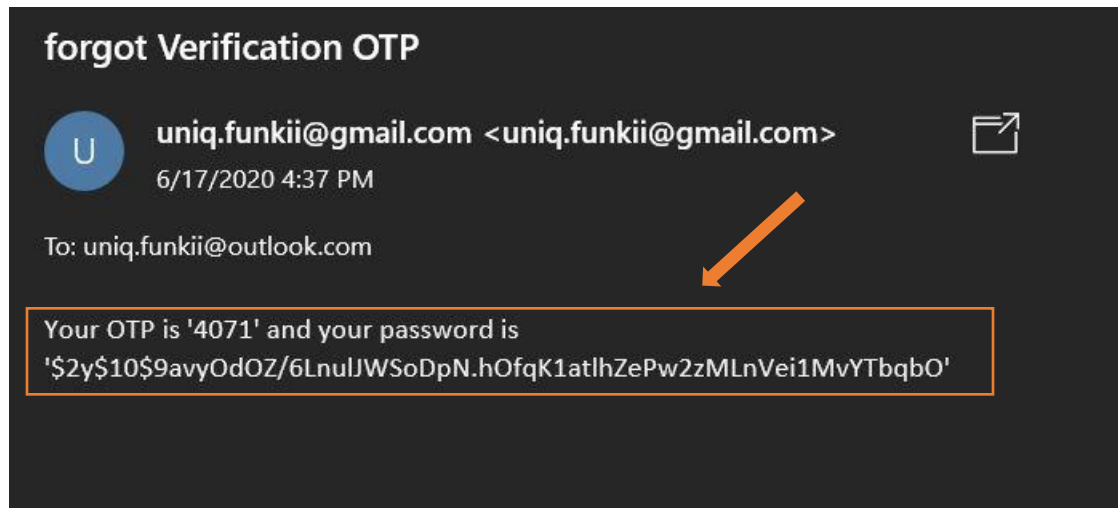

A blue arrow points to the LOGIN button in the Login section. An "Activate Windows" watermark is visible in the bottom right corner of the Register section.

Customer will receive OTP in email after email verification and then applying valid OTP code person will be verified as a customer.

The screenshot shows an email titled "Email Verification OTP". The email is from "uniq.funkii@gmail.com <uniq.funkii@gmail.com>" and is dated "6/17/2020 4:36 PM". The recipient is "To: uniq.funkii@outlook.com". At the bottom, there is a box containing the OTP code "5789" with an orange arrow pointing to it.

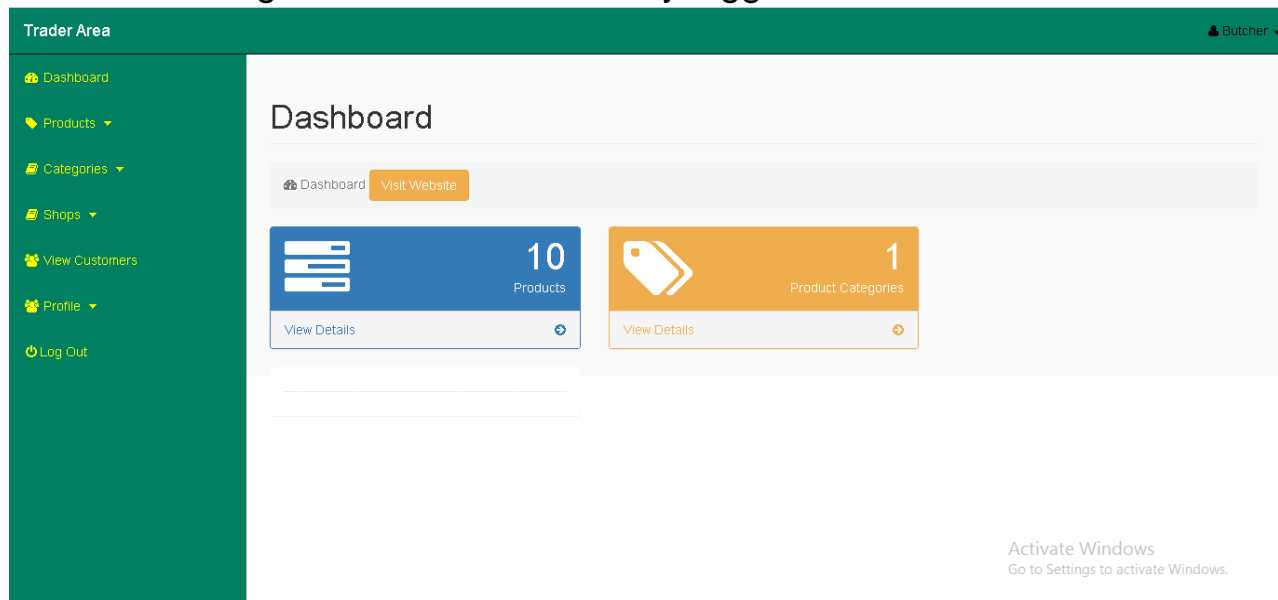

OTP and password sent in customer account. After pasting the valid password in required filled customer can log in again.

Trader Products Dashboard

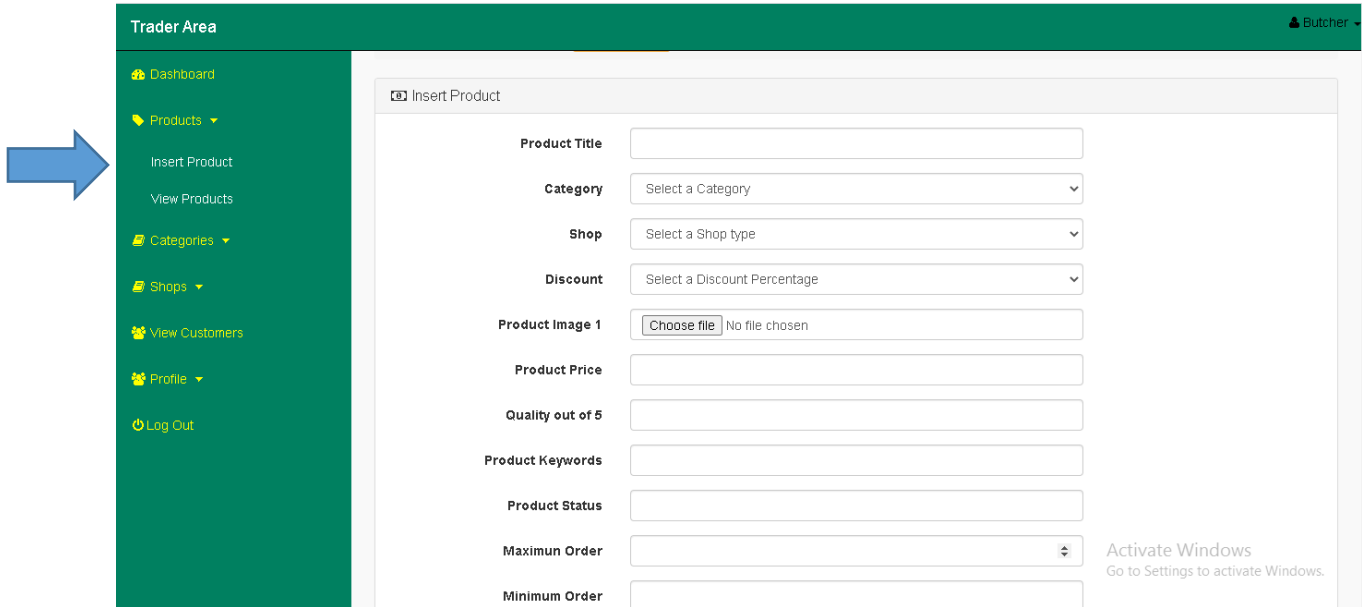

We have 5 products dashboard, this one is the butcher dashboard. Similarly we have same other dashboard .From the trader product dashboard we can insert,view,edit and delete our products easily and edit the butcher account too. In trader dashboard We can also display 10 products and also have the product categories . We can easily view the details of that products . We can also view our website from this dashboard.

Click on butcher name on the top right side of the trader dashboard and then click on logout. We are successfully logged out.

Insert products

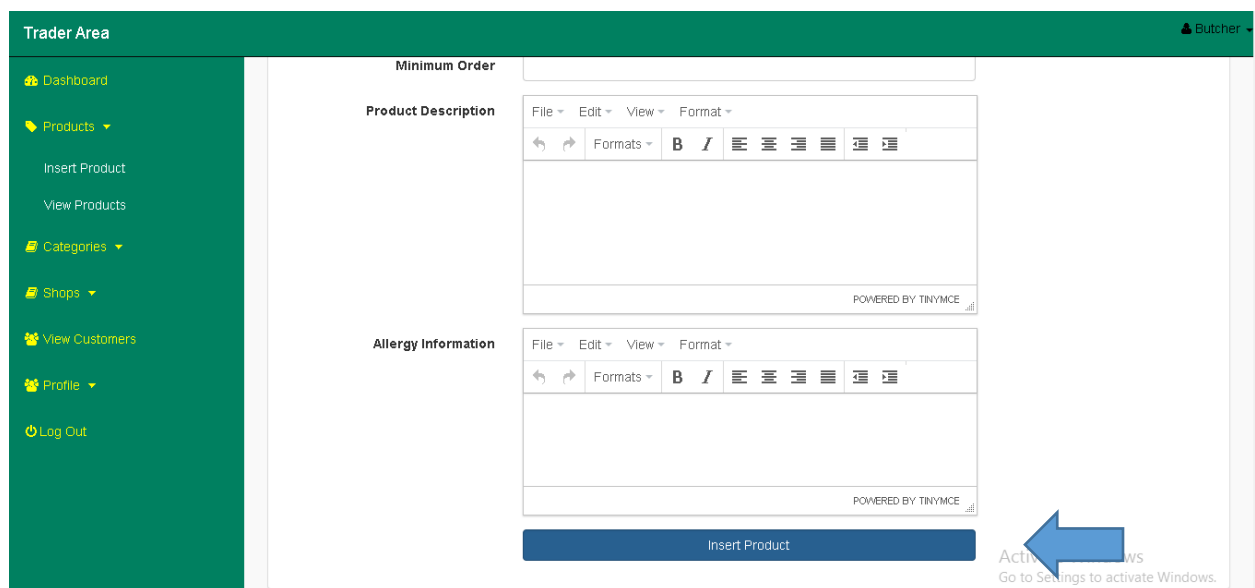

Click on product drop down and click on insert product an insert product form will appear fill the details and click on insert product.

The screenshot shows the 'Trader Area' interface with a green sidebar on the left. The sidebar contains a 'Products' dropdown menu, which is highlighted by a blue arrow. The main content area is titled 'Insert Product' and contains the following fields:
