Lost your password

Enter a Valid email that you registered

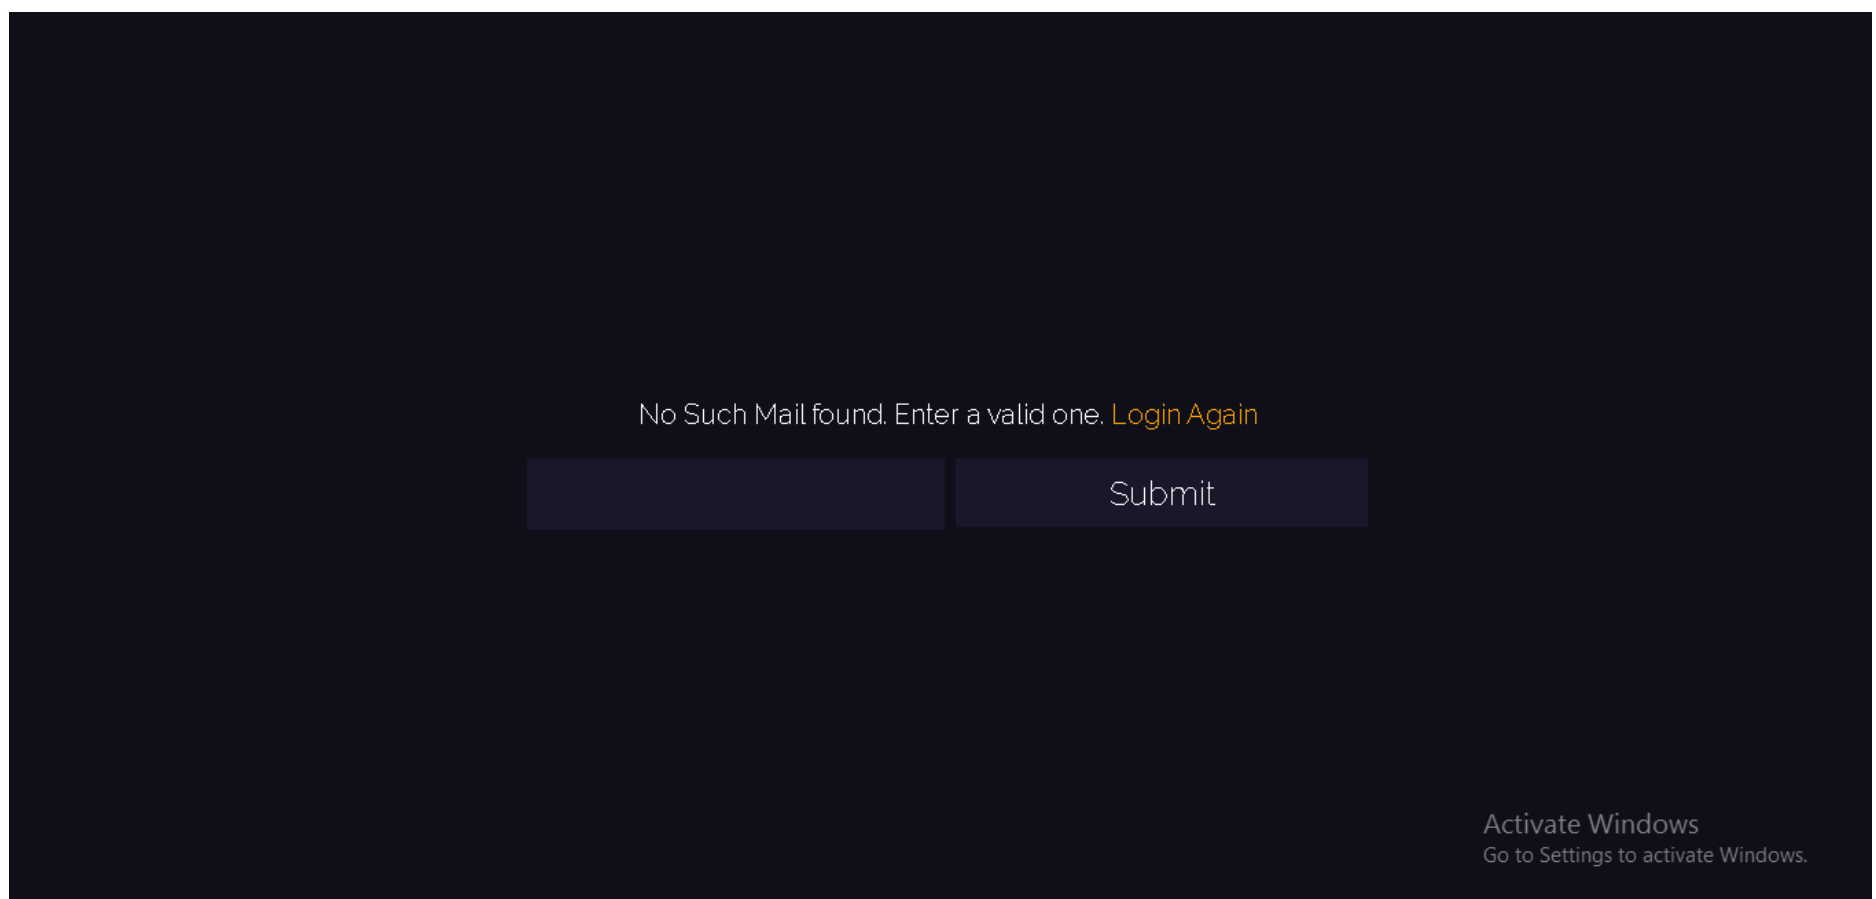

uniq.funkii@outlook.com Submit

Activate Windows
Go to Settings to activate Windows.

This screenshot shows a dark-themed web interface for password recovery. At the top, the text 'Enter a Valid email that you registered' is displayed. Below it is a form with a text input field containing the email 'uniq.funkii@outlook.com' and a 'Submit' button. In the bottom right corner, there is a Windows activation watermark that reads 'Activate Windows' and 'Go to Settings to activate Windows.'

“Enter a valid email that you registered” message is displayed

Invalid mail in lost password

No Such Mail found. Enter a valid one. [Login Again](#)

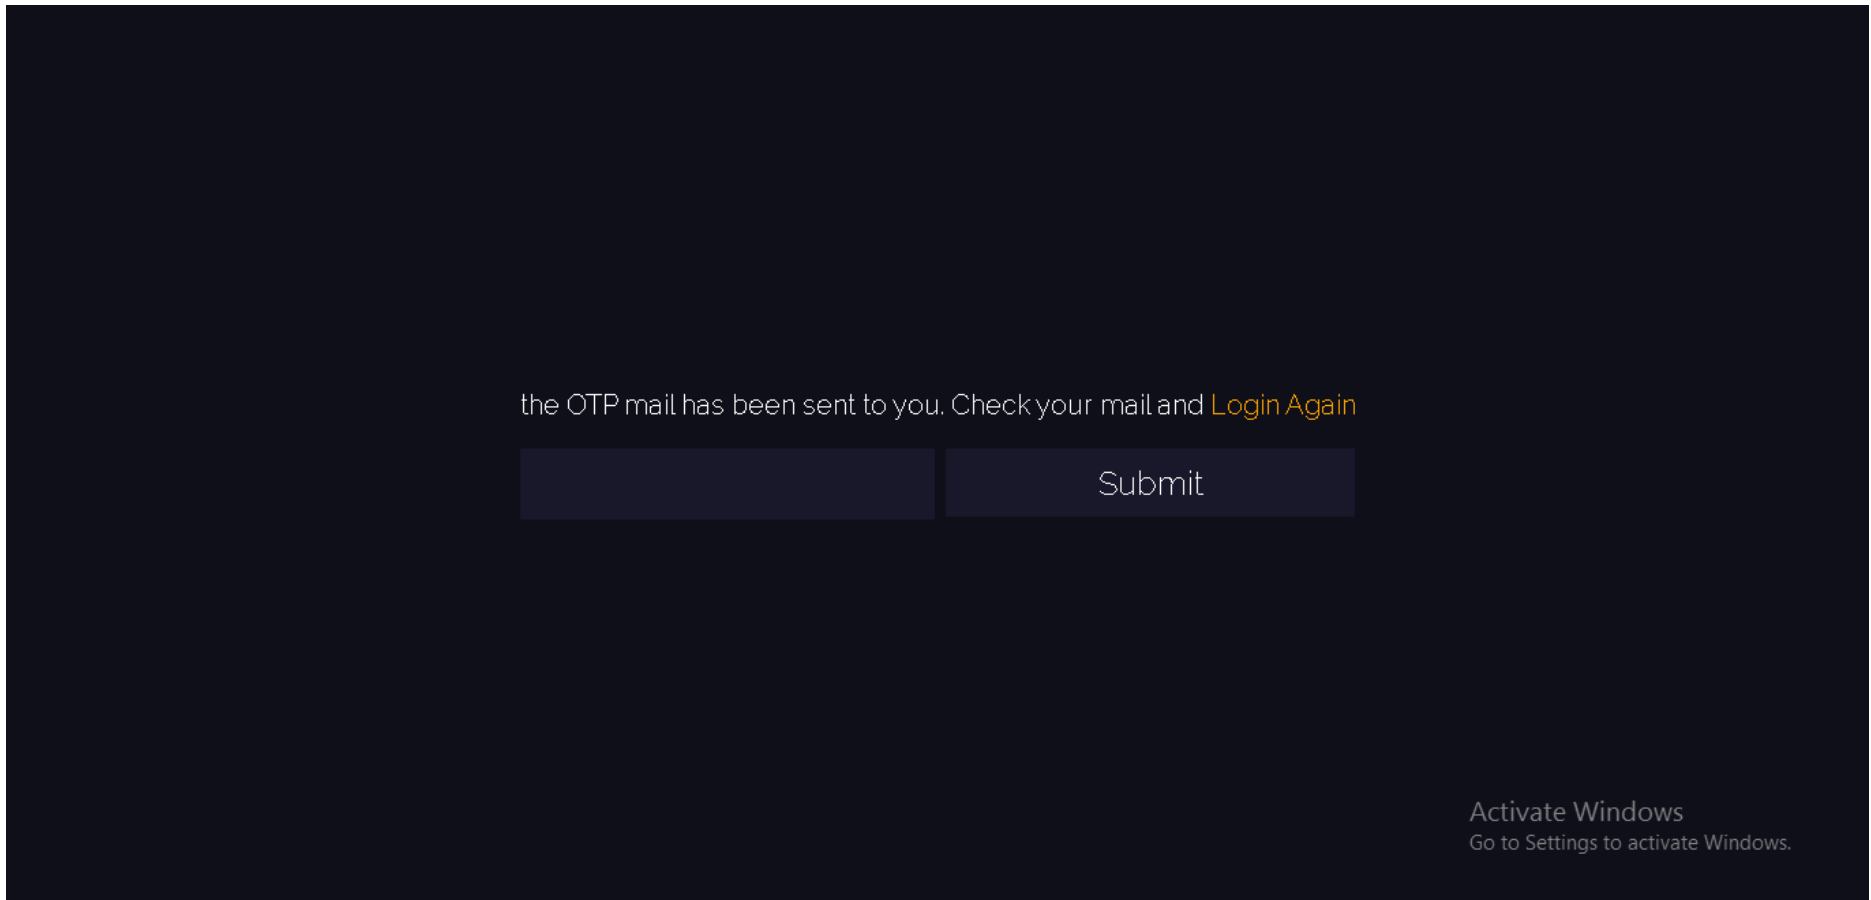

Submit

Activate Windows
Go to Settings to activate Windows.

This screenshot shows the same dark-themed web interface as the previous one, but with an error message. The text 'No Such Mail found. Enter a valid one. Login Again' is displayed, where 'Login Again' is a clickable link. Below the message is a form with an empty text input field and a 'Submit' button. The Windows activation watermark is still present in the bottom right corner.

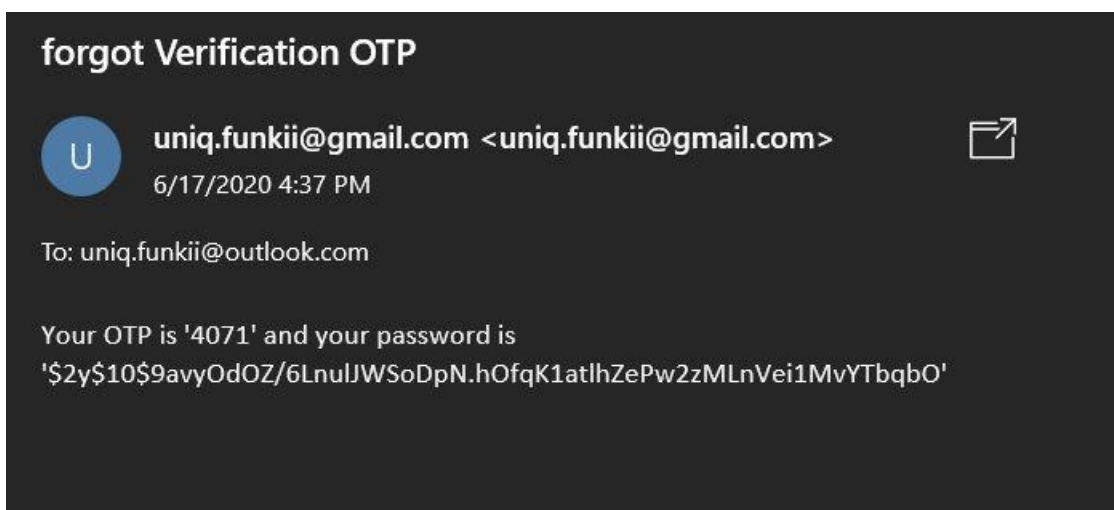

“No such email found. Enter a valid one. Login Again” message is displayed

After writing email login again

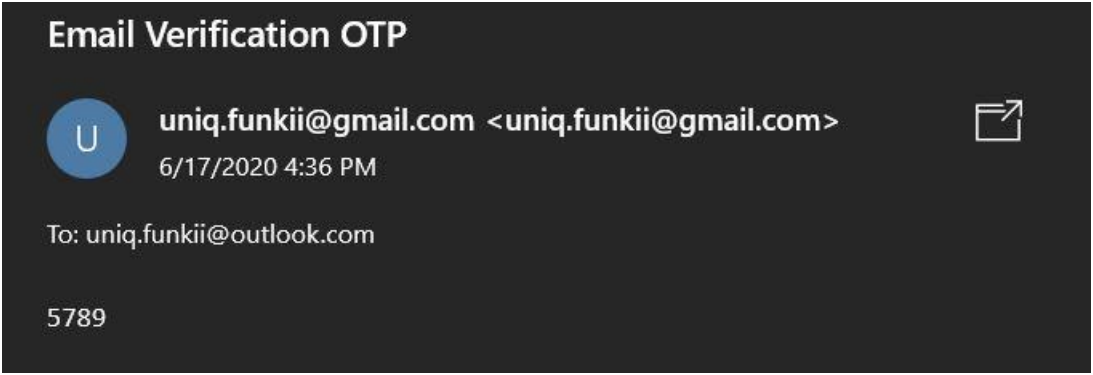

“The OTP mail has been sent to you. Check your email and Login Again” message is displayed
